Commercials to be discussed and finalized as per finalization of approach and confirmation on number of participants

Key Features

- Trainings and assessments will be provided by subject matter experts only.
- For master training course, international experts will also be used. Apart from sessions, even content from foreign experts will be a delivery requirement. This content will be used to define and refine EFI owned content.
- Research projects will be given to coaches so create our own knowledge system.
- For equestrian specific sessions, EFI recommended coaches will be used. Initially foreign coaches will be used but subsequently Indian master trainers will be leveraged to drive coach development.
